**WOMEN: UPLIFTING & UNITING THE WORLD**

MAY 16<sup>th</sup>- 21<sup>st</sup> 2016

PULLMAN-NOVOTEL, NEW DELHI, AEROCITY, INDIA

**Dr. Harbeen Arora**  
Global Chairperson, Women Economic Forum & ALL Ladies League

Welcome to WEF2016, the world's largest congregation of women with over 1500 people expected from more than 75 countries. At WEF2015, it was a sheer delight and a blessing to have so many inspired and kind hearted women from across the world and diverse backgrounds come together for the very first time, and yet feel an abiding Oneness of heart and mind. Such was the miracle experienced by ALL.

Welcome now to the fascinating world of the Women Economic Forum 2016 to learn, to enquire, to network, to create partnership across borders, to promote your business interests and to create lasting bonds. This year theme of **"Women: Uplifting & Uniting The World"** is covered through 28 verticals across 408 sessions.

ALL Ladies League is connecting, every day, more and more women from ALL parts of the world to foster a worldwide web of women and thus creating a strong collective self for women. ALL is fostering a positive global movement in uplifting the world through feminine leadership and via friendship in an era of major individual conflict, depression, anxiety and intolerance due to rising religious fanaticism, extremely competitive environment, decline of value systems and narrow selfish thinking. ALL is also a mindset for change, for introspection, for rationality, for tolerance, for faith, for goodness, for kindness, for generosity, for societal values, for peace and prosperity both of the individual and society, for collective responsibility, for ethics and above ALL for the wellbeing of the entire world as enshrined in the ancient wisdom of praying for the happiness of the entire universe since in that lies the happiness of the individual.
